To Whom It May Concern:

Tobacco-Free Missouri-Greater St. Louis Coalition will hold its 4th Annual Trivia Night on Saturday, March 20, 2010 at May Community Center at DePaul Health Center. Last year's event was a huge success, but we set the bar pretty high and now we have to outdo ourselves.

Would it be possible for your business to donate a gift certificate and/or gift baskets for our event? We are expecting 250 people to attend this event. In return for your donation, your business will be listed in our program booklet and announced by our M.C. during the event.

Tobacco-Free Missouri Coalition is a non-profit organization with a mission to provide tobacco prevention and cessation information to all people in the Greater St. Louis area. The coalition also advocates for clean indoor air and smoke-free environments. Proceeds from this event will benefit those programs.

Thank you so much for helping us to reduce tobacco use and secondhand smoke in our community. Please send all donations to the address in the letterhead. I would also be glad to pick-up any donations, please contact me at 314-286-0435.

Sincerely,

Sharon McKittrick
